Investing in Our Youth

FCCU has a program that supports our dedication to area communities by investing in our youth.

We donated \$1 million into a scholarship foundation to provide additional scholarship dollars to graduating high school students. The earnings from the foundation go to fund scholarship opportunities, including multi-year scholarships for members of the credit union for years to come. In 2024 alone, our Education Foundation funded \$60,000 in scholarships to our members.

North Dakota State University

Volunteer Work/Job Experience

Academic and Extra-Curricular Activities & Honors

GPA & ACT/SAT Score (transcripts are required)

300 Word Essay (judged on content and the use of proper English grammar)

Essay topic: Pick an experience from your life and explain how it has influenced your development and/or career plans.
